BIMAS

is proud to announce

Our 3W eCargo Economy as well as our 3W eCargo Premium are **in compliance with the Electrically Powered Assist Cycles (EPAC), EN 15194**.

The EN 15194, aimed at product safety and reliability, covers three major aspects: safety regulations, electromagnetic compatibility (EMC), and mechanical testing.

Our 3W eCargo Economy as well as our 3W ecargo Premium even already **passed the recently published EN17860-3 frame testing at TÜV Rheinland** (Clause 8.3, 8.4, 8.5, 8.6, 8.7 Carrier Cycles - Part 3: Lightweight multi track carrier cycles - Mechanical aspects).

TÜVRheinland CERTIFIED

CE

Based on above testing result we are confident that we are bringing these products to the market with the utmost care on safety.
